

Kisses Down Low

Kelly Rowland

Mike WiLL Made It

Right above no, yeah

You put in over time, over night, doing everything I like, go for ride, yeah
You hold me close, please me tight, look me deep inside my eyes, baby don't we love here

But nothing can compare to when you kiss me there
And I can't lie when I lie I your arms baby I feel so sexy
So boy just take your time, send chills down my spine
You're one of a kind, that's why I gotta make you mine

Boy you turn me on, got me feeling hot

Now I'm really goin'

I like, I like, I like my kisses down low

Makes me arch my back

When you gave it to me slow

Baby just like that

I like my kisses down low

Makes me arch my back

When you gave it to me slow

Baby just like that

Yeah

Baby get a little rough that's okay

Baby go ahead do your thang, ride away

And I love it when we misbehave

Me and you together babe, we can do everything

Boy, if somebody could see the way you kiss on me

Oh they won't believe it, 'cause even I don't believe it

But I love the way I'm feelin'

So boy just take your time, send chills down my spine

You're one of a kind, that's why I gotta make you mine

Boy you turn me on, got me feeling hot

Now I'm really goin'

I like, I like, I like my kisses down low

Makes me arch my back

When you gave it to me slow

Baby just like that

I like my kisses down low

Makes me arch my back

When you gave it to me slow

Baby just like that

Speed it up, heat it up, let it go, let it go
Till I get, get enough, you never know, never know, never know
I like that there, yeah that there
A little more to the left, yeah right there
So boy just take your time, send chills down my spine
You're one of a kind, that's why I gotta make you mine
Boy you turn me on, got me feeling hot
Now I'm really goin'
I like, I like, I like my kisses down low
Makes me arch my back
When you gave it to me slow
Baby just like that
I like my kisses down low
Makes me arch my back
When you gave it to me slow
Baby just like that
