# The One

## Saga

Can someone tell me who I've got to pay
To help me find a remedy?
Now I'm not sure I can wait another day
'Cause I'm my own worst enemyThere was a time I thought I knew the way
But that's all ancient history
'Cause every time I feel that I am there
I'm never where I want to beTell me, why do I still dream about you?
I wonder where you'll be, when I'm gone?
Now I know you are the one
I guess you've always were the oneI don't know why I run away
Every time I hear your name
So maybe I should find another way
It's time to come in from the rainWhy do I still dream about you?
I wonder where you'll be when I'm gone?
Now I know you are the one
I guess you've always were the one
So, now I know you are the oneSomeone tell me who I've got to pay
To help me find a remedy
'Cause I'm not sure I can wait another day
Now I'm my own worst enemyWhy do I still dream about you?
I wonder where you'll be, when I am gone?
Now I know you are the one
I guess you've always were the oneNow I know you are the one
I guess you've always were the one
Now I know you are the one
I guess you've always were the oneNow I know you are the one
I guess you've always were the one
