# Lay My Love

## Brian Eno & Jah Wobble

Lay my love
I am the crow of desperation
I need no fact or validation
I span relentless variation
I scramble in the dust of a failing nation
I was concealed
Now I am stirring
And I have waited for this time.
I am the termite of temptation
I multiply and find my population
I am the wheel I am the turningAnd I will lay my love around you.
I am the sea of permutation
I live beyond interpretation
I scramble all the names and the
Combinations
I penetrate the walls of explanation
I am the will
I am the burning
And I will lay my love around you.
I am the will
I am the yearning
And I will lay my love around you.
