

# Falling

## Jamiroquai

Sometimes in the morning  
When I wake up I shed a tear  
I'm hopin' come the night time  
You'll open the door and reappear I can promise to share  
All my dreams I will dare  
You set my heart racin' when you get next to me  
Still I don't think you care Should I wait for your love  
Or am I waiting in vain?  
Somebody help me 'cause I'm falling  
Head over heels in love again You, you, you're the one for your love  
I think that I would do anything  
Hey you, you, you, you  
You're the one for your love  
I think that I would do anything I miss you, I wanna kiss you  
The sweet scent of roses is in your hair  
See sometimes when I get lonely  
I still feel you beside me when you're not there I can promise to share  
All my dreams I will dare  
You set my heart racin' when you get next to me  
Still I don't think you care Should I wait for your love  
Or am I waiting in vain?  
Somebody help me 'cause I'm falling  
Head over heels in love again You, you, you're the one for your love  
I think that I would do anything  
And hey you, you, you, you  
You are the one for your love  
I think that I would do anything You're the one for your love  
I think that I would do anything, you know, yeah  
You, you, you're the one and for your love  
I think that I, I think that I would do anything I can promise to share  
All my dreams I will dare  
You set my heart racin' when you get next to me  
Still I don't think you care Should I wait for your love  
Or am I waiting in vain?  
Somebody help me 'cause I'm falling  
Head over heels in love again Help me, oh can't you help me?  
I think I'm falling in love  
I think I'm falling in love with you
