

# Little Bit of Soul

## The Equals

Now when you're feelin' low and the fish won't bite  
You need a little bit o' soul to put you right  
You gotta make like you want to kneel and pray  
And then a little bit of soul will come your way

Now when your girl is gone and you're broke in two  
You need a little bit o' soul to see you through  
And when you raise the roof with your rock'n'roll  
You'll get a lot more kicks with a little bit o' soul

And when your party falls 'cause ain't nobody groovin'  
A little bit of soul and it really starts movin', yeah

And when you're in a mess and you feel like cryin'  
Just remember this little song of mine  
And as you go through life tryin' to reach your goal  
Just remember what I said about a little bit o'soul

A little bit o' soul, yeah (a little bit o' soul)
