Too Soon (feat. Maty Noyes)

Vanic

Gotta get myself outta this town
Cause we got a lot of history
And if I don't get away, I might drown
In a sea of haunting memories
Everybody wants to know what happened
Cause they thought that we were meant to be
And I'm sorry I don't have an answerBut people always asking me
Yeah people always asking
People always asking
People always asking me
I tell them
If you don't want me to keep feeling this pain
Don't say his name
Cause he's not something that I want to explain
Don't say his name
It's too soon
Don't say his nameAnd I wonder where you're sleeping
Cause I know it isn't next to me
Gotta find my silver lining
And think we [???] freeAnd people always asking
People always asking
People always asking me
I tell them
If you don't want me to keep feeling this pain
Don't say his name
Cause he's not something that I want to explain
Don't say his nameGot me worked up [???]
I just can't talk about it yet
Cause you know I'm not ok
I just don't know what's left to say
Got me worked up [???]
I just can't talk about it yet
Cause you know I'm not ok
I just don't know what's left to sayI tell them
If you don't want me to keep feeling this way
Don't say his name
Cause I don't think that I should have to explain
Don't say his name
