## Sorority Noise

What does it mean to be happy  
And am I getting better  
I used to make excuses for myself  
but its not the weather  
I tried to rid myself  
Of my anxious tendency  
I have to accept my head for what it is to me  
I'm not super human  
Well I'm barely alive  
Well I would kill to leave my house  
And not be afraid of the outside  
So I started thinking  
It'd be so nice  
To not have trouble sleeping  
I haven't slept in nights.  
So I called to apologize  
For every night  
I told you I didn't want to live my life  
But I hung up  
Before you pick up  
Because I changed my mind  
no more (??)  
And I know about myself  
And if giving up doesn't make you stronger  
Then why the hell am I still here  
Call me depressed  
And tell me to get over it  
It's not in my head  
but It's in my blood  
So I called to apologize  
For every night  
I told you I didn't want to live my life  
But I hung up  
Before you pick up  
Because I changed my mind  
And I've gotten better  
At getting better  
And I've gotten better  
At getting better

At being me  
And I've gotten better  
At getting better  
And I've gotten better  
At being me  
And I've gotten better  
At getting better  
And I've gotten better  
At being me  
At being me
