Sean's "In the Sky"

John Lennon

"Daddy, when did we have no house?"
"When?"
"When, when did we have no house
And we rented this house?""In 1973, we didn't have this house, yet
That's when we bought this house"
"Oh"
"Two years before you were born""Oh, and I wasn't coming with you to find this house?"
"No, you weren't born yet, you were still in the sky"
"Oh, and when I came back
Was down here, what did I went in, on?""A, a, a little, a little cardboard box
With a little blanket in, little teeny tiny
Teeny tiny, little Sean [Incomprehensible]
In a little tiny cardboard box
They used to have apples in it"
