Silly Game

Two Tongues

Where did she go?
Where did she go?
Where did she go?
Where did she go?I play a silly game
Where I'm dressed up in drag
Wasted, smoking a fag
In clothes and a bag
And I'm forgetting youWhen she went away, you stayed here
Stop waiting for her to change
When she went away
When she went awayHere in her room
Here in her room
Here in her room
Here in her roomI play a silly game, where reflection is her
She lovingly purrs
My name, but it won't occur
She's so far away
Will you stay away with me?Last night I could see it there in your eyes
How she killed you inside
It was in your eyes
It was in your eyes
It was in your eyesWhere did she go?
Where did she go?
Oh no, where did she go?
Where did she go?
