

# Silly Game

## Two Tongues

Where did she go?  
Where did she go?  
Where did she go?  
Where did she go? I play a silly game  
Where I'm dressed up in drag  
Wasted, smoking a fag  
In clothes and a bag  
And I'm forgetting you When she went away, you stayed here  
Stop waiting for her to change  
When she went away  
When she went away Here in her room  
Here in her room  
Here in her room  
Here in her room I play a silly game, where reflection is her  
She lovingly purrs  
My name, but it won't occur  
She's so far away  
Will you stay away with me? Last night I could see it there in your eyes  
How she killed you inside  
It was in your eyes  
It was in your eyes  
It was in your eyes Where did she go?  
Where did she go?  
Oh no, where did she go?  
Where did she go?
