

# Wrong Idea (feat. Bad Azz, KoKane & Lil' HD)

## Snoop Dogg

Whassup nephew? Sittin' here choppin' game, my nigga Bad Azz  
Niggaz get the misconception of us 'cause we so cold at what we do  
But I really wanna let niggaz know what's happenin' though  
You feel me? Now I don't want anybody to get the wrong idea about me  
I don't have nothin' to hide, I want the world to see  
I'm a gangsta, gangsta, gangsta niggaz do your dance  
C-Walk, C-Walk homey, yeah, gangsta bitches wave yo' hands  
See me, I'm 'bout my money my paper I'm 'bout my dollars  
Poppin' collars with this mac and this slack and these two revolvers  
See we smoke and go hoein' 'cause the bitch ain't never shit to me  
And pussy stay sellin' so I never let it get to me  
The shit to me is simple, it relies on credentials  
We credible individuals, ahead of you we original  
Better known as criminals, thuggin' off on the stereo  
Killin' 'em on the radio, some of them wanna hate me though  
Fuck 'em 'cause they can't see me doe and here we go again  
The jealousy took me over success, just keep you slower  
While you get nothin', we keep gettin' more  
Pump, pump the jam up, drop, drop the top  
Hit, hit the switch and smash down the block  
And oh yeah this Long Beach  
So you know when you see a nigga  
And don't never get the wrong idea nigga  
Yeah, nigga what? Holla at 'em  
Now I don't want anybody to get the wrong idea about me  
I don't have nothin' to hide, I want the world to see  
I'm a gangsta, gangsta, gangsta niggaz do your dance  
C-Walk, C-Walk homey, yeah, gangsta bitches wave yo' hands  
I keep my khakis creased, hat tilted to the East  
On a beach I remain the beast, none the least  
Police try to cuff me and stuff me in the back  
Of they patrol car 'cause I'm a former parole star  
With the cool name, this nigga here's a fool mayn  
Go on and do yo' thang, gang-bang  
In the hood and in Hollywood  
Record company executives think it's all to the good  
Get to showin' me around they house, then he slide me in the back  
And had the nerve to try to buy me out, check this out mayn  
I'm down with P, and D-R-E  
A real nigga from the motherfuckin' L.B.C.  
I just look like this, I stay down for the twist  
I'm real with this, deep as Abyss  
I gave you a pound, then I gave yo' wife a kiss  
I had to dip cause y'all was full of that bullshit  
Now I don't want anybody to get the wrong idea about me  
I don't have nothin' to hide, I want the world to see

I'm a gangsta, gangsta, gangsta niggaz do your dance  
C-Walk, C-Walk homey, yeah, gangsta bitches wave yo' hands Now I don't want anybody to get the wrong idea  
about me  
I don't have nothin' to hide, I want the world to see  
I'm a gangsta, gangsta, gangsta niggaz do your dance  
C-Walk, C-Walk homey, yeah, gangsta bitches wave yo' hands Now I don't want anybody to get the wrong idea  
about me  
I don't have nothin' to hide, I want the world to see  
I'm a gangsta, gangsta, gangsta niggaz do your dance  
C-Walk, C-Walk homey, yeah, gangsta bitches wave yo' hands They're going to shoot, they're going to shoot  
They're going to shoot, shoot, shoot, shoot, shoot, shoot  
All my little homeys, I want to see you come home like me I want to see you come home like me, help me see
