Strictly Ballroom

You can't talk
I'm anxious
I'm off the walls
I'm right here just
 Come outside
 And see it
But pack your heart
You might need it
 I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
 I'll try for you
You're locked up
 You exhaled
You did it before
 And I seen it
 Come outside
 And breathe in
 Relax your arms
 And let me in
 I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
 I'll try for you
I know what to say
 To take you
 Higher, higher
 No one else can
 Take you higher
 But I will try
 I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life

I'll try
I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for you
For you
