

# Shake Ya Rump

## Far East Movement

Dirty bass girls drop it, dirty bass girls drop it  
Yo, dirty bass, ah yeah, drop it  
Dirty bass girls drop it, dirty bass girls drop it  
Yo, dirty bass girls drop it I got gold grills, gold wheels  
My boombox only bump the shit that's still  
How I chill, holly hills  
If that ass ain't popping, better take a pill  
That dirty bass, in your face  
Chain so fat you can't see my waist  
G6 money still in the safe  
And if you look like Cassie, I'ma break the bank  
I see the way that you looking at me  
But for real, look at me  
Big girls on deck that will cook for me  
Holler back, dirty bass gonna shake ya rump  
I know ham when I bust a move  
Smooth bunny bo got nothing to loose  
Girls go wild when they feel the boom  
I'm back, dirty bass gonna shake ya rump Shake ya rump, shake, shake ya rump  
Dirty bass gonna shake ya rump  
Shake ya rump, shake, shake ya rump  
Dirty bass gonna shake ya rump  
Shake ya rump, shake, shake ya rump  
Dirty bass gonna shake ya rump  
Shake ya rump, shake, shake ya rump  
Dirty bass gonna shake ya rump  
Go, go, go, go, go, go shake it  
Go, go, go, go, go, go shake it My limo got slap, girls in the back  
Cuties got booties so my homies on crack  
My booze all that, double d's in the back  
Ass so fat every smack clap back  
Now I'm back on track, al... turnt up on blast  
More... bubble head on the dash  
Bubble, bubble, gas I see the way that you looking at me  
But for real, look at me  
Big girls on deck that will cook for me  
Holler back, dirty bass gonna shake ya rump  
I know ham when I bust a move  
Smooth bunny bo got nothing to loose

Girls go wild when they feel the boom  
I'm back, dirty bass gonna shake ya rump Shake ya rump, shake, shake ya rump  
Dirty bass gonna shake ya rump  
Shake ya rump, shake, shake ya rump  
Dirty bass gonna shake ya rump  
Shake ya rump, shake, shake ya rump  
Dirty bass gonna shake ya rump  
Shake ya rump, shake, shake ya rump  
Dirty bass gonna shake ya rump  
Go, go, go, go, go, go shake it  
Go, go, go, go, go, go shake it I'll be on it, chickies want it  
Cadillac pimping through the strip with a bunny  
Dirty bass girls drop it, dirty bass girls drop it  
I'll be on it, chickies want it  
Cadillac pimping through the strip with a bunny  
Dirty bass girls drop it, dirty bass girls drop it See I've been pimping since pimping was pimping  
Back in the days of old Lola Mike The Pimp  
Or... The Pimper, Pimp Slip, the Pimp Slipper  
The wet nipple licker, the hot dog booty wiggler  
I pop down on them and swoop them up like an eagle  
Now they in my... they in my clothes  
And they all gotta drop they draws  
Cause I am the one and only Big Daddy Ross, holler! Hahaha  
Drop dirty bass, drop dirty bass Dirty bass girls drop it, dirty bass girls drop it  
Dirty bass girls drop it, dirty bass girls drop it  
Ok, hahaha.
