Live For Better Days

Ignite

Save it for tomorrow
just let me get some sleep in.
let me remend
I wasn't born a failure
tonight I feel we are sinking
and I'm thinking once againSo I say goodnight
to dreams that won't be realized
I can't sleep with desperation by my side
the memory starts to fade
now i live for better days.Last night was wrong it's morning
so tired of this empty
feeling in me
i was born a failure
no more living in regrets
stop feeling sorry for yourselfSo I say goodnight
to dreams that won't be realized
I can't sleep with desperation by my side
as the memory starts to fade
now i live for better days.Oh! I need to end this violence
in a place that I call home
Oh! I need to hear some silence
Silence in me
Silence in me.So I say goodnight
to dreams that won't be realized
I can't sleep wit desperation by my side
as the memory starts to fade
now i live for better days.
