No More

Three Days Grace

Give me a reason to stay here
'Cause I don't wanna live in fear
I can't stop the rain but I can stop the tears
Oh, I can't fight the fire but I can fight the fearNo more, I just can't live
(Here)
No more, I can't take it, can't take it
No more, what do we stand for
When we all live in fearGive me a reason to believe
'Cause you don't wanna see me leave
I can't stop the rain but I can stop the tears
Oh, I can't fight the fire but I can fight the fearNo more, I just can't live
(Here)
No more, I can't take it, can't take it
No more, what do we stand for
When we all live in fearNo more, I just can't live
(Here)
No more, I can't take it, can't take it
No more, what do we stand for
When we all live in fear
