Happy Times

Bert Weedon

Time
All those happy times
Time
Days of summer love
Time
That I held your hand and the world stood still
Ah haaTime
Those happy times
Time
Down by the riverside
Time
We were making love, listen to the birdies sing
Ah haaNow, I'm all alone
Happy times are gone
Gone just like the season
Winter's on the ground
And my heart is cold
You left me without reasonBut I remember those
Time
Those happy times
Time
Down by the riverside
Time
We were making love, listen to the birdies sing
Ah haaTime
All those happy times
Time
Days of summer love
Time
That I held your hand and the world stood still
Ah haaTime
Happy, happy times
Time
All those happy times
Time
