

Sea Shanty

Andrew Maxwell Morris

Darling I, have crossed many mountains
Have crossed many rivers
To get to the start
Cause only I
Know how it feels when
You talk in your own words
Without a care.

Now, Iâ€™ll find my way home
Now Iâ€™ll find my home
My way home.

Well it seems
That I kept it all inside
Pretending I was fine
So things stayed the same.
Well I know, well I know
I only sought affection
You gave me a safe place
To comfort the storm.

Now, Iâ€™ll find my way home
Now Iâ€™ll find my home
And now, Iâ€™ll find my way home.
Now, Iâ€™ll find, my way home.
