I Can't Take It

Dillon Francis

I can't take it no more

I can't take it no moreI can't take it no more

I can't take it no more

I can't take it no more

I can't take it no moreLet's feel the musicI can't take it no more

I can't take it no more

I can't take it no more

I can't take it no moreI can't take it no more

I can't take it no moreLet's feel the music
