Inside You

Godhead

I'm no reaching into you
Everything you do
Leads to my disgrace
Show me your faceI can see myself inside of you
I can see myself inside of youWhat's beneath your flesh
Hate you can't express
I can trick myself
Like everybody elseI see myself inside of you
I can see myself inside of youLook inside my head
Imbedded with the knowledge
Deep with in my skin
That I will never know where to beginYour image is above me
Far and beyond my reach
I stand alone and wait for you to teachI'm obsessed with everything you do
I won't stop till you say it's throughI can see my self inside of you
Ican see my self inside of you
