

# I Wanna Marry You (The River: Single Album)

## Bruce Springsteen

I see you walking, baby, down the street  
Pushing that baby carriage at your feet  
I see the lonely ribbon in your hair

Tell me I am the man for whom you put it there  
You never smile girl, you never speak  
You just walk on by, darlin' week after week  
Raising two kids alone in this mixed up world  
Must be a lonely life for a working girl  
Little girl, I want to marry you  
Oh yeah, little girl, I want to marry you  
Yes I do

Little girl, I want to marry you  
Now honey, I don't want to clip your wings  
But a time comes when two people should think of these things

Having a home and a family  
Facing up to their responsibilities  
They say in the end true love prevails  
But in the end true love can't be no fairytale  
To say I'll make your dreams come true would be wrong  
But maybe, darlin', I could help them along  
Little girl, I want to marry you  
Oh yeah, little girl, I want to marry you  
Yes I do

Little girl, I want to marry you  
Oh, my daddy said right before he died

That true, true love was just a lie  
He went to his grave a broken heart  
An unfulfilled life, makes a man hard  
Oh, darlin'  
There's something happy and there's something sad  
'Bout wanting somebody, oh so bad  
I wear my love darlin', without shame  
I'd be proud if you would wear my name  
Oh  
My darlin'  
Ooh my darlin'  
My darlin'  
Oh oh
