

# Last To Know

Karina

[Verse 1]

Now lately you been acting different,  
You got my heart out on a mission,  
Can you tell me what's up?  
Feels like you're giving up,  
Making I'm over reacting, and nothing's wrong,  
But I'm getting a feeling you're slowly moving on,  
Why you sending me to voice mail I know you seen me call?  
Boy it's been a while,  
Really miss your smile  
And I'm hoping maybe you can help me out[Bridge]  
Cause I know you remember how you used to call me every night,  
But now I hold my pillow tight,  
Cause the one I love don't seem to feel the same,  
So baby just in case[Chorus]  
Don't let me be the last to know,  
If you're gone, then I'll go  
Don't think I'll make it difficult,  
Cause I won't,  
If it's what you want, then go,  
But please, let me know  
You don't want this no more  
Don't play with my heart,  
I'll be ok alone,  
But boy don't let me be the last to know[Verse 2]  
And I don't want you to think I'm trippin',  
But I just can't be looking stupid,  
I'll hope you understand,  
My heart is in your hand,  
I'm trusting you know what to do with it,  
And I really don't think that you go and do me wrong  
But sometimes you never know, what's going on  
Don't wanna take a chance,  
Catching you holding hands,  
I'll know I would be so devastated[Bridge]  
Cause I know you remember how you used to call me every night,  
But now I hold my pillow tight,  
Cause the one I love don't seem to feel the same,  
But baby just in case[Chorus]

Don't let me be the last to know, (Know)  
If you're gone, then I'll go (I'll go)  
Don't think I'll make it difficult, (Difficult)  
Cause I won't,  
If it's what you want, then go, (Go, but please)  
But please, let me know (Let me know)  
You don't want this no more (If you don't want this no more)  
Don't play with my heart,  
I'll be ok alone, (Alone)  
But boy don't let me be the last to know Can you tell me honestly?  
Right now I'm finding it so hard to breath, eat, think, sleep  
I don't wanna go another day  
Not knowing what I need,  
Talk to me,  
Don't let me find out the hard way,  
If you care at all about me,  
Boy if you're ready to leave,  
Just let me know I don't deserve to be the last to know [Chorus]  
Don't let me be the last to know, (yeah, yeah)  
If you're gone, then I'll go (If you're gone, I'll go)  
Don't think I'll make it difficult, (So don't make it)  
Cause I won't,  
If it's what you want, then go, (If it's what you want)  
But please, let me know (let me know)  
You don't want this no more (If you don't want this no more)  
Don't play with my heart,  
I'll be ok alone, (Alone)  
But boy don't let me be the last to know (The last to know)
