

# Anna Lee, the Healer

## The High Llamas

Anna Lee, Anna Lee, the healer  
Healer with the healing hands  
Makes you well as quick as she can  
Love to see those smilin' eyes  
Of Anna Lee  
From the Himalaya mountain side  
(Aah aah)  
Of the Rishikesh  
(Aah aah)  
To a California beach house  
(Aah aah)  
Facing towards the sea  
(Aah aah)  
Goes a gal who got her fame  
(Aah aah)  
By going 'round healing folks  
(Aah aah)  
Anna Lee, Anna Lee, the healer  
Healer with the healing hands  
Makes you well as quick as she can  
You'd feel those healing hands  
Of Anna Lee  
(Aah aah)  
When she gets a chance to help someone  
(Aah aah)  
She's really happy, if you trust her with your ill  
(Aah aah)  
She'll quickly make you see, she can fix things up for you  
(Aah aah)  
Just like she did for me  
(Aah aah)  
Anna Lee, Anna Lee, the healer  
She cures people with her hands  
I'm just one of her many fans  
You'd love to feel those healing hands  
Of Anna Lee  
The healer, the healer, the healer, the healer
