Soul Intact

SWV

Keep your soul intact
Don't let nothing hold you back
Your soul intactKeep your soul intact
Don't let nothing hold you back
Your soul intactDon't let nothing hold you back
Keep your head up towards the sky
It's gonna be ruff
You can't give up hold on, hold onKeep your soul intact
Don't let nothing hold you back
Your soul intactKeep your soul intact
Don't let nothing hold you back
Your soul intactUnity that's what we need
Unity that's what we need
