

Further On Down The Road

[Eric Clapton](#)

Further on down the road baby, you will accompany me.
Further on down the road baby, you will accompany me.
When I think back, your love was like the sun
And I don't remember no cold days darlin,
I just remember the warm warm fun.
Further on down the road baby, you will accompany me.
Oh if we fools in life, mmmm woman than a happy fool I'd rather be.
Oh baby I'll be glad to learn from you,
And darlin' I know you will be glad to learn from me.
And if we get down and things get sad, We can cheer up eachother,
and grin Cuz things just ain't that bad.
If we fools in life, than a happy fool I would rather be.
Day by day, just one step, just one step at a time.
Cuz woman you have given me so much,
Just to ease this stubborn little achin' heart of mine.
I don't care where they came from,
