

# Santa's Pissed

## Motionless In White

Jingle bells batman smells  
robin laid an egg  
the batmobile lost it's wheel  
and the joker fucked your mom  
...right in the ass

Hey, hey little girls and boys  
what's on your list for this year  
teddy bears and lots of gifts  
well too fucking bad you greedy  
little bitch!

you're getting razorblades  
stockings of hand grenades  
and in your sleep tonight  
i'm gonna cum on your face  
You're not getting anything for  
Christmas you fucking whore  
the milk was sour and the  
cookies sucked  
so thanks for nothing, you  
fucking cunt!

you're not getting anything for  
Christmas you fucking whore  
Santa's pissed and he's takin'  
names, and your first in line  
(later we'll have some fucking pie,  
and we'll do some caroling)

PUUUUUUUUUUT THAAAAAAAAAAAT COOIIIIIIIIIIIIIE DOWWWWWWN!!!!!!  
put that cookie down motherfucker

As we all know, Christmas is  
that mystical time of year  
when the ghost of Jesus rises  
from the grave to feed on the  
flesh of the living  
Santa's pissed and he's coming to  
town  
he's takin' names and he's throwin'  
down  
5 - severed heads in a box

4 - bitches on my cock  
3 - beds of nails  
2 - bullets  
1 - guns  
Broken candycanes  
stockings of coal and bad grades  
you better watch out!  
(bend ya ova, imma lube ya up,  
gonna stick that tree right up yo' ass)  
Your not getting anything for  
Christmas you fucking whore  
the milk was sour and the  
cookies sucked  
so thanks for nothing, you  
fucking cunt!  
your not getting anything for  
Christmas you fucking whore  
Santa's pissed and he's takin'  
names, and your first in line  
Merry Christmas you filthy animal
