The Click and the Fizz

The High Llamas

The drum beat ahead
the crowd broke into song
The Bridge Street step was on

Dulcet is the click and fizz
fine beyond compare
Draw the bow both true and slow
instead of fine and fair
Autumn spills on palace hills
Summer makes its way
Copper clean has turned to green
to settle with the grey

Step up this night of nights
and on this street of streets
Where runs the hidden Fleet

Dulcet is the click and fizz
fine beyond compare
Draw the bow both true and slow
instead of fine and fair
Autumn spills on palace hills
Summer makes its way
Copper clean has turned to green
to settle with the grey
