

# Holding On For You

## Liberty X

Trust is all it takes  
People make mistakes

Sunshine fades to grey  
The second I'm away  
Minutes turn to hours, without you  
Time keeps marching on  
Summer's been and gone  
I'm still here alone, still waiting

I'm on my own  
A million miles away  
Temptations all around  
It won't be long  
So please be strong  
Cause, I'm holding on for you

Trust is all it takes  
People make mistakes  
Cause, we are only human, let's face it  
I struggle through the day  
Pretending I'm okay  
Make believe that you're here, beside me

Yes I'm on my own  
A millions miles away  
Temptations all around  
It won't be long  
So please be strong  
Cause I'm holding on for you

You are the one that I can truly believe in  
So don't ever think, that I'll ever deceive you baby  
Without a doubt, you are my rhyme and my reason  
And I won't let you down

Cause I'm on my own  
A millions miles away  
Temptations all around  
It won't be long

So please be strong  
I'm holding on for you

I'm on my own  
Feeling blue  
Miles from home  
I'm lost without you  
But I'll be strong  
Keep holding on  
Holding on for you
