Sukiyaki

4 P.M.

It's all because of you, I'm feeling sad and blue
You went away, now my life is just a rainy dayAnd I love you so, how much you'll never know
You've gone away and left me lonelyUntouchable memories, seem to keep haunting me
Of a love so true
That it once turned all my gray skies blueBut you disappeared
Now my eyes are filled with tears
And I'm wishing you were here with meSoaked with love are my thoughts of you
Now that you're gone, I just don't know what to doIf only you were here
You'd wash away my tears
The sun would shine and once again
You'd be mine all mineBut in reality, you and I will never be
'Cause you took your love away from meGirl, I don't know what I did
To make you leave me but what I do know
Is that since you've been gone
There's such an emptiness inside
I'm wishing you'd come back to meIf only you were here
You'd wash away my tears
The sun would shine and once again
You'd be mine all mineBut in reality, you and I will never be
'Cause you took your love away from meOh, baby, you took your love away from me
