## 4 P.M.

It's all because of you, I'm feeling sad and blue  
You went away, now my life is just a rainy dayAnd I love you so, how much you'll never know  
You've gone away and left me lonelyUntouchable memories, seem to keep haunting me  
Of a love so true  
That it once turned all my gray skies blueBut you disappeared  
Now my eyes are filled with tears  
And I'm wishing you were here with meSoaked with love are my thoughts of you  
Now that you're gone, I just don't know what to doIf only you were here  
You'd wash away my tears  
The sun would shine and once again  
You'd be mine all mineBut in reality, you and I will never be  
'Cause you took your love away from meGirl, I don't know what I did  
To make you leave me but what I do know  
Is that since you've been gone  
There's such an emptiness inside  
I'm wishing you'd come back to meIf only you were here  
You'd wash away my tears  
The sun would shine and once again  
You'd be mine all mineBut in reality, you and I will never be  
'Cause you took your love away from meOh, baby, you took your love away from me
