Spinning Top

The Orlons

(d. pickerill/p. o'donoughue)You let me go
'til I'm weared out
And when I'm ready you say you're not
You start a flame, I'm not to blame
For what I do
You heat me up, I'm all aglow
I move too fast to take it slow
If you could see what you do to me
You'd feel so lowChorus:
You keep me moving, don't let me stop
You got the whip, I'm your spinning top
You keep me moving, don't let me stop
You love keeps spinning me 'roundYou take me up to get me high
And yet you know I can't fly
If I take a chance on this romance
I know I'll fallChorusYou turn me 'round so I don't know
My left from right or where to go
You just don't care and that's not fair
You're hurting meChorus (x2)Your love keeps spinning me 'round
I'm just your spinning top
I'm just your spinning top
Your spinning top
I'm just your spinning top
Oh, your spinning top
Spin me, spin me
I'm your spinning top
I'm just your spinning top
Spinning, spinning top.
