Let It Slip

The School

An apology for today, an apology for a lifetime
My loveless unbeliever, he? s better than the rest
And if you ever leave me, would you go straight to her?
Or is it so easy living on your, living on your own without me baby
Your first was a masterpiece, your second was just genius
But third seemed like mirrors of what had gone before
And if you ever leave me, would you go straight to her?
Or is it so easy living on your, living on your own without me baby
(Slip, let it slip) Oo just say it (Slip, let it slip) I just wanna know
(Slip, let it slip) if you really love her? come on, come on oo boy tell me
(Slip, let it slip) Oo just say it (Slip, let it slip) I just wanna know
(Slip, let it slip) if you really love her? come on, come on oo boy tell me
And if you ever leave me, would you go straight to her?
Or is it so easy living on your, living on your own without me baby
(Slip, let it slip) Oo just say it (Slip, let it slip) I just wanna know
(Slip, let it slip) if you really love her? come on, come on oo boy tell me
(Slip, let it slip) Oo just say it (Slip, let it slip) I just wanna know
(Slip, let it slip) if you really love her? come on, come on oo boy tell me
