Secondhand Love

Pete Townshend

Don't bring me secondhand love
Don't bring me secondhand loveNow, you went out tonight
Who you been hanging around this time?
I don't care if he's black or white
I just don't like his kindI don't want your secondhand love
I don't want your secondhand love
I don't want your secondhand love
Don't bring me secondhand loveHe's been leaving his scent on you
I can sense it from a mile
All my money is spent on you
But you're still selling your smileDon't bring me secondhand love
Don't bring me secondhand love
I don't want your secondhand love
I don't want your secondhand loveGive your love
And keep blood between brothers
Give your love
And keep blood between brothersI don't want your secondhand love
Don't bring me secondhand love
Don't bring me secondhand loveI can guess where you've been tonight, yeah
You've been hanging out on the street
Wearing your dress too tight
Showin' out to anyone you meetBut I don't want your secondhand love
I don't want your secondhand love
Don't bring me your secondhand love
Don't bring me your secondhand loveI want the first call on your kiss
Answer me one question, can you promise me this
I want my defenses laying in your hands
I don't want to rest in the palm of another manI don't want your secondhand love
Don't want, don't want your secondhand love
I don't want, I don't want your secondhand love
I don't want, I don't want your secondhand loveI don't want, I don't want your secondhand love
