So Sincere

Pat Benatar

We say I love you and we're so sincere
I look in your eyes and it becomes quite clear
You want what I want, you need what I need
When I turn to leave
You plead, and plead, and plead, and plead, and plead
We're so sincere
We're so sincere
We're so sincere
We're so sincereNow I'm sure I'm right and I'm so sincere
You convince me I'm wrong with a single tear
You want me so badly, you can't live without me
When I turn to leave
You bleed, and bleed, and bleed, and plead, and pleadWe're so sincere
We're so sincere
We're so sincere
We're so sincereWe're livin' so fast we're not living at all
Two sparrows tied together will always fall
We know we love each other so there's nothin' to prove
But I'm gonna smother if somebody don't move
