

Boy Next Door

Triple Image (Feat. Stevie Brock)

Umm, yeah, yeah, yeah
Never ever in a million years
Was this what I was thinking of
Crazy somehow it never crossed my mind
My first friend becoming my first love
Used to be the one who play with my toys
And never would of thought of you as a boyfriend
If you'd asked who I was looking for
I would have said someone like the boy next door
Growing up if you had ever told me
You'd be the one I'd be wanting to hold me
I would have laughed and said you were crazy
Never be with the boy next door
So hold you, showed you, everything in my life
When we go cruising in your ride
So why was I taken by surprise
Found love growing in my own backyard
Playing hide an seek
In the summer heat
Didn't wanted to go inside
Wanna hang out until sunrise
Whenever I was down, never had a doubt
You wouldn't be in my life
Whenever anyone saw me
They saw you too, yeah
Used to be the one who play with my toys
And never would of thought of you as a boyfriend
If you'd asked who I was looking for
I would have said someone like the boy next door
Growing up if you had ever told me
You'd be the one I'd be wanting to hold me
I would have laughed and said you were crazy
Never be with the boy next door
Used to be the one who play with my toys
And never would of thought of you as a boyfriend
If you'd asked who I was looking for
I would have said someone like the boy next door
Growing up if you had ever told me
You'd be the one I'd be wanting to hold me

I would have laughed and said you were crazy
Never be with the boy next door
Playing hide an seek
In the summer heat
Didn't wanted to go inside
I wanna hang out until sunrise
Whenever I was down, never had a doubt
That you wouldn't be in my life
Whenever anyone saw me
They saw you too
Used to be the one who play with my toys
And never would of thought of you as a boyfriend
If you'd asked who I was looking for
I would have said someone like the boy next door
Growing up if you had ever told me
You'd be the one I'd be wanting to hold me
I would have laughed and said you were crazy
Never be with the boy next door
Used to be the one who play with my toys
And never would of thought of you as a boyfriend
If you'd asked who I was looking for
I would have said someone like the boy next door
Growing up if you had ever told me
You'd be the one I'd be wanting to hold me
I would have laughed and said you were crazy
Never be with the boy next door
