Wrong Road Again

Crystal Gayle

I can't seen to learn not to love you
You get to me every time
You're someone I just can't say no to
And you sure put a change in my mindHere I go down that wrong road again
Goin' back where I've already been
Even knowin' where it will end
Here I go down that wrong road againThough I've seen the way that you're weavin'
You and your soft easy lines
Before I stop to think I'm believin'
And I'm fallin' for you one more timeHere I go down that wrong road again
Goin' back where I've already been
Even knowin' where it will end
Here I go down that wrong road againHere I go down that wrong road again
Goin' back where I've already been
Even knowin' where it will end
Here I go down that wrong road againHere I go down that wrong road again
Goin' back where I've already been
