

# Mama's Baby Child

[Lightnin' Hopkins](#)

I was born'd on the levee, I'm my mama's baby child  
Yes, you know, it ain't but one thing I hate, some women have made mama's baby wild  
Yes, if I'd have listened, yes, to what my mama said  
If I'd have listened, yes, to what my mama said  
Yes, you know, I wouldn't be here this evening, I'm talking about, with a hung-down head  
Yes, you know, I'm going back home to mama, fall down on my mama's knee  
I'm going back home to mama, fall down on my mama's knee  
Yes, you know, I'm gonna ask my mama, "Please, ma'am, pray for me"
