Cello Song

Nick Drake

Strange face, with your eyes So pale and sincere Underneath you know well You have nothing to fearFor the dreams that came To you when so young Told of a life Where spring is sprungYou would seem so frail In the cold of the night When the armies of emotion Go out to fightBut while the earth Sinks to its grave You sail to the sky On the crest of a waveSo forget this cruel world Where I belong I'll just sit and wait And sing my songAnd if one day you should see me In the crowd Lend a hand and lift me To your place in the cloud
