These Times

Kimara Lovelace

These times will try hard to define me
And I'll try to hold my head up high
But I've seen despair here from the inside
And it's got a one track mind
And I have this feeling in my gut now
And I don't know what it is I'll find
Does anybody ever feel like,
You're always one step behind?
Now I'm sitting alone here in my bed
I'm waiting for an answer I don't know that I'll get
I cannot stand to look in the mirror
I'm failing
I'm telling you these times are hard
But they will
And I know there's someone out there somewhere
Who has it much worse than I do
But I have a dream inside, a perfect life
I'd give anything just to work
It's like I'm only trynna dig my way out
Of all these thing I can't
And I am
Sitting alone here in my bed
I'm waiting for an answer I don't know that I'll get

I cannot stand to look in the mirror
I'm failing
I'm telling you these times are hard
But they will pass,
They will pass
They will pass
These times are hard
But they will
These times will try hard to define me
But I will hold my head up high
Sitting alone here in my bed
I'm waitng for an answer I don't know that I'll get
I cannot stand to look in the mirror
I'm failing
I'm telling you these times are hard

But they will pass
And I know there's a reason
I just keep hoping it wont be long til I see it
And maybe if we throw up our hands and believe it!
I'm telling you these times are hard
But they will pass
They will pass
They will pass
These times are hard
But they will pass
