System Of A Down

May I please! Remain in this space?
For darts, screech! By my desires.
May I please remain in this space?
For darts, screech! By my desires. Art thou not human man?
Art thou not human man?
Art thou not human man?
Art thou not human man?
Art thou not human man?
Art thou not human man?
Art thou not human man?
Art thou not human man?
Life! Threatening! lifestyles,
A hitman, a nun, lovers.
Life! Threatening! lifestyles,
A hitman, a nun, lovers. Arise as did the gods Ninti,
Arise as did the gods Ninti,
Arise as did the gods Ninti, and Ishkur! Clock men, for they will, fail!
Fear not the gods that come from the, sky!
Long not for the one who've lost their, way!
(Long not for the one who've lost their) Way!
Arise as did the gods Ninti
Arise as did the gods Ninti
Arise as did the gods Ninti and Ishkur, Ishkur motherfucker! Could, you, tell, me?
