Stay

Shakespear's Sister

If this world is wearing thin
And you're thinking of escape
I'll go anywhere with you
Just wrap me up in chainsBut if you try to go out alone
Don't think I'll understand
Stay with me
Stay with meIn the silence of your room
In the darkness of your dreams
You must only think of me
There can be no in betweenWhen your pride is on the floor
I'll make you beg for more
Stay with me
Stay with meYou'd better hope and pray that you make it safe
Back to your own world
You'd better hope and pray that you'll wake one day
In your own world'Cause when you sleep at night they don't hear your cries
In your own world
Only time will tell if you can break the spell
Back in your own worldStay with me
Stay with me
Stay, stay with me
Stay, stay, stay, stay, stay
Stay with me
