

Stay Away

Nirvana

Monkey see, monkey do
 { Away }
Grab at me to be cool
 { Away }
Hear the line engine rhyme
 { Away }
There's just one of us blind
 { Away } Stay
 Stay away
 Stay away
Stay away Give an inch, take a smile
 { Away }
Scratch an itch, scratch a style
 { Away }
Throw it out, keep it in
 { Away }
Have to have poison skin
 { Away } Stay
 Stay away
 Stay away
Stay away Stay
 Stay away
 Stay away
Stay away Monkey see, monkey do
 { Away }
Grab at me to be cool
 { Away }
Hear the line engine rhyme
 { Away }
There's just one of us blind
 { Away } Stay
 Stay away
 Stay away
Stay away Stay
 Stay away
 Stay away
Stay away Stay
 Stay away
 Stay away

Stay away
Stay away
Stay away
Got to stay
