

Six Days (Toky Drift Mix) ft. Dj Shadow

Mos Def

I got a feeling there's gonna be a riot
I don't read the newspapers because they all have
Ugly prints
Check me out

Check me out
Bring it on! Bring it on!

Bring it on 'cause there's gonna be some shit tonight!
At the starting of the week

At summit talks you'll hear them speak

It's only Monday

Negotiations breaking down

See those leaders start to frown

It's sword and gun day
Tomorrow never comes until it's too late
(Come come come come come with it)

(Come come come come come with it)
You could be sitting taking lunch

The news will hit you like a punch

It's only Tuesday

(What time is it?)

You never thought we'd go to war

After all the things we saw

It's April Fool's Day

(What time is it?)
Tomorrow never comes until it's too late

Tomorrow never comes until it's too late
Tomorrow is another day

Today is another bomb

Tomorrow is another day

Today is another bomb

Tomorrow is another day

Today is another bomb

Tomorrow is another day

Today is another, bomb
Fire!

Here goes a shot!

Escalation, devastation

Generation, separation

Situation, dissipation

Shot!

Another shot another shot

The tender vessel pressure pop

The heart is cold the gun is hot
(shot)

I'm not sure if they done or not

I'm not sure that they wanna stop

The gun is cold the blood is hot
(shot)

(Shot shot shot shot shot shot shot)

The hearts are weak the guns are not
You hear a whistling overhead

Are you alive or are you dead?

It's only Thursday
(What time is it?)
You feel the shaking of the ground
A million candles burn around
Is it your birthday?
(What time is it?) Tomorrow never comes until it's too late (get tomorrow on the phone)
Trying to be smart, get tomorrow on the phone
Tomorrow never comes until it's too late (I need to see tomorrow)
You trying to reach tomorrow Think tomorrow's come I think it's too late Another day!
Tomorrow is another day
Tomorrow is another day Bring it on! Bring it on!
Bring it on cause there's goin' be shit tonight!
