Hottie

Ashley Ballard

I've been staring down the road
You've been up the street
I think it's about time
You come talkin' to me
I see the way you look at me
You see I don't mind
I know that you've been thinkin' about
The perfect opening line
It's a shame you
Keep playin' your game
'Cause I don't wanna wait no more
You can be my hottie, hottie
Not just anybody, body
Everybody knows how the story goes
We can have a party, party
You, me and nobody, body
Everybody knows how the story goes
I was hangin' with my friends
You were all alone
I thought you would talk to me
But you were on the phone
I don't know the reason for
Why you're so shy
Even when I call your name
You keep on passin' me by
It's a shame you
Keep playin' your game
'Cause I don't wanna wait no more
You can be my hottie, hottie
Not just anybody, body
Everybody knows how the story goes
We can have a party, party
You, me and nobody, body
Everybody knows how the story goes
Finally, you come talkin' to me
I want you in my life
You will see that
Once upon a time not long ago
There was a guy

Who was a show
Now you realize
Don't wanna wait anymore
No more, no more, no
Don't wanna wait anymore
No more, no more, no
Don't wanna wait anymore
No more, no more, no
Don't wanna wait anymore
No more, no more, no
Don't wanna wait anymore
You can be my hottie, hottie
Not just anybody, body
Everybody knows how the story goes
We can have a party, party
You, me and nobody, body
Everybody knows how the story goes
You can be my hottie, hottie
Not just anybody, body
Everybody knows how the story goes
We can have a party, party
You, me and nobody, body
Everybody knows how the story goes
