

# Live For Today

[Natalie Grant](#)

Sittin in my room staring at the wall  
Wonderin about the meaning of it all  
Why is it this thing called life  
Has got me goin crazy? So I open up your word and let it speak to me  
The purpose and the plan that youve designed  
Is clear to see and I believe  
Im gonna live for today Im gonna follow in your way  
Im gonna let my little light shine  
Like theres no tomorrow  
I wont worry about the past I know my future is intact  
So Ill choose to live my life one way  
Im gonna live it for today You told me not to worry about what lies ahead  
So I am gonna focus on today instead  
Making every moment count and counting  
Every single blessing Im gonna set my mind on the  
Here and the now  
This is what I want my life to be about  
And this is how My oh, so crazy life  
Its got me spinnin round and round  
Hanging upside down, takin one step at a time  
Holding your hand all the way and itll be okay
