

# Pass Us By

## Arlo McKinley & The Lonesome Sound

I don't know why  
I can't keep you by my side  
No matter how hard I try

Everyday, in this house alone I have  
Sweet dreams of suicide

I lost all faith in sex and love  
Hell below and Heaven above

We keep ourselves high  
Just to be satisfied  
As we watch as our lives pass us by

We carry the weight  
And tried to help each other &  
Kept our feet our feet on the ground

Got taken away  
By loves one secret  
She lined us up to shoot us down

I lost all faith in sex and love  
Hell below and Heaven above

We keep ourselves high  
Just to be satisfied  
As we watch as our lives pass us by
