

# Two Of Us

## Supertramp

Look at me, I'm a speck of sand  
And I'm building dreams in a strangers land  
Tell me why do I care  
Tell me why do I care Every time that I'm feeling down  
Oh, they pick me up and they spin me 'round  
Tell me where do we go  
Tell me where do we go from here What are we gonna find out  
(Find out)  
What are we gonna find out  
(Find out)  
Leave the wilderness, now there's loneliness, dreams And just as long as there's two of us  
Just as long as there's two of us, I'll carry on  
Won't you hold me When is man gonna find out  
(Find out)  
When are we gonna find out  
(Find out)  
What the universe is just waiting to here Just as long as there's two of us  
Just as long as there's two of us  
Just as long as there's two of us  
We'll carry on
