

Sky High

Makoto

Shattered at dawn
So far for so long
Feeling newly baptized thinking
I don't want this thing to end and
 All the blue sky
Where our stony paths meet
 Coffee color sheets
 Looking down at pale knees
With a cigarette and the morning beat
 Under the blue sky
 Last night at the bar
I was wrong, I was only hurting
 And you were acting too polite
 And we held on to the pain
Through the storms and the rain

Like a crumpled, empty, discarded
 Newports box
 Ahh, under the blue sky
 Ahh, sky high
 Ahh
 Pawn shop billboard
 "We Buy Gold"
 Old dreams just fade and twist
 It's a heartache that never ended
 The brightness of air
Out walking somewhere and when they ask you
 Just tell them that you knew me back when
 Under the blue sky
 Ahh, sky high
 Ahh, put on the blue sky
 Ahh, sky high
