Read Your Mind

Streetwize

Yes, don't close the door
Listen, I've been waitin' to tell you this
You are, more than a man could ever want
Wait a minute, just let me there, listenI stepped in a club in your hood
I slowly turned left and there you stood
You and your friends talkin'
But then our eyes connect and moved inIt was just like 2 ways on beam
I'm your king, be my queen
And what did you wanna do tonight?
My truck is parked out front, so let's rideI can read your mind, babe
(Ohh)
I know what you're thinkin'
(I know what you're thinkin', baby)
It's alright
(With me, baby)
It's alright, yes
(Ohh yeah)
I can read your mind, babe
(I can)
I know what you're thinkin'
(I know what you're thinkin', baby)
It's alright
(With me, yeah yeah)
It's alright, yesSo baby take a ride with me
And I'll fulfill all your fantasies
And when the rain starts pourin' down
Then all the love that's lost will be foundI'll make your mind loose control
Over your body that's my goal
So baby just come down here
Just let the gravity pull you nearI can read your mind, babe
(I can)
I know what you're thinkin'
(I know what you're thinkin')
It's alright
(Can you feel me? Yeah)
It's alright, yes
(Ooh, baby)I can read your mind, babe
(Just me and you right now)
I know what you're thinkin'

(I got an idea, babe)
It's alright
(Oh yeah)
It's alright, yesI know you wanna rub
(Rub)
I know you wanna touch
(Touch)
I know you wanna feel
(Feel)
So, baby keep it realI know you wanna see
(See)
I know you wanna be
(Be)
In my B E D
Grindin' slowlyI know you wanna rub
(Rub)
I know you wanna touch
(Touch)
I know you wanna feel
(Feel)
So baby keep it realI know you wanna see
(See)
I know you wanna be
(Be)
In my B E D
Grindin' slowlyI can read your mind, babe
(I can read it)
I know what you're thinkin'
(And I know)
It's alright
(You see, I know, what you know)
It's alright, yeah
(I can feel it too, baby)I can read your mind, babe
(Just me and you, yeah)
I know what you're thinkin'
(I know, yeah)
It's alright
(Oh, oh yeah)
It's alright, yesI wanna love baby
(That's what I wanna do to you)
I wanna feel you
(If you come, if you come)
I wanna love baby
(Oh yeah)
I wanna feel you

(I wanna feel you, girl)I wanna love baby
(Come on and go with me)
(I want you to stay with me)
I wanna feel you
('Cause it's alright with me)
I wanna love baby
(Listen baby, I wanna go with you)
(I want you to stay with me)
