

Goodnight Lovers (Florenza remix)

Depeche Mode

Here, somewhere in the heart of me
There is still a part of me
That caresAnd I'll, I'll still take the best you've got
Even though I'm sure it's not
The best for meWhen you're born a lover
You're born to suffer
Like all soul sisters
And soul brothersI, I can see the danger signs
They only help to underline
Your beautyI'm not looking for an easy ride
True happiness cannot be tried
So easilyWhen you're born a lover
You're born to suffer
Like all soul sisters
And soul brothersLike all soul sisters
And soul brothersYou can take your time
I'll be waiting in line
You don't even have to give me
The time of dayWhen you're born a lover
You're born to suffer
Like all soul sisters
And soul brothersLike all soul sisters
And soul brothers
