

# Cold Shot

[Stevie Ray Vaughan](#)

Once was a sweet thang baby, held out love in our hands  
Now I reach to kiss your lips the touch don't mean a thing  
And that's a cold shot baby, yeah that's a drag  
A cold shot baby, I let our love go badRemember the way that you loved me, do anything I said  
Now I see you out somewhere you won't give me the time of day  
And that's a cold shot darlin', yeah that's a drag  
And that's a cold shot baby, we let our love go badI really meant I was sorry, for ever causin' you pain  
You showed your appreciation by walkin' out anyway  
And that's a cold shot baby, yeah that's a drag  
And that's a cold shot baby, we let our love go badSo sad, too bad, so sad  
Don't let our true love run cold baby
